## produkter

by growers er en af Danmarks største og førende producenter af bl.a. Kalanchoë, Calandiva og Osteospermum.

Alle vores i alt ca. 28 kulturer fremdyrkes i fleksible dyrkningsarealer og med stor passion i hele arbejdsprocessen fra stikling til færdigt produkt. Vi arbejder tæt sammen med flere af verdens førende forældre.

Med vores store volumen og fleksible produktionsarealer er vi desuden i stand til at imødekomme alle individuelle forespørgsler fra vores kunder fx. special-ønsker om pottestørrelser, added value, mix eller andre kulturer.

## products

by growers is one of Denmark's leading and largest producers of, e.g. Kalanchoë, Calandiva and Osteospermum. All of our 28 cultures are grown in flexible production areas and with lots of passion throughout the whole cultivation process, from cutting to ready product. We work in close cooperation with multiple leading and successful breeders.

Our large volumes and flexible production areas also allow us to accommodate each individual customer inquiry, including, e.g. special desires about pot sizes, added value, mix or other crops.
